

Curriculum Vitae

Iris Sophie Kroes

Profile

I am a hard working producer who doesn't give up easily. I am creative and like to learn new techniques. Because of my creativity and quick thinking I tend to find original and quick solutions to problems. People often look at me as a leader because they trust me, but I am also good at working under supervision of someone else.

Education

School of the arts, Utrecht

September 2020 - May 2021

- Base study Media

September 2021 - Present

- Audiovisual media
